Dear Sir,  
I have the honor to acknowledge  
the receipt of your letter of the  
20th inst. in relation to the  
above matter.

I am sorry to hear that  
you are not satisfied with the  
result of the investigation.

I have been instructed to  
re-investigate the matter and  
will report the results to you  
as soon as possible. I am  
very sorry that the matter  
has caused you so much  
trouble and am sure that  
the results will be satisfactory.

Figure 1. A schematic diagram of the experimental setup. The subject is seated in a chair, viewing a screen displaying a target (a red dot) and a starting point (a green dot). The subject's hand is positioned at the starting point, and the target is located at a distance of 10 cm from the starting point. The subject is instructed to move the hand towards the target.

The image shows a document page with a grid structure, likely a ledger or a form. The grid is composed of horizontal and vertical lines. There are some faint, illegible markings and text within the grid cells, possibly representing data entries. The overall image is very faded and has a high level of contrast, making it difficult to discern specific details.
